

**TWENTY-FIVE YEARS OF SERVICE**  
**RICHARD ROSS – MARCH 1993**  
**Technical Specialist – Public Works and Engineering**

**Education, Training & Licenses:**

Richard received a Bachelor's Degree in Sociology (minor in Psychology) from Eastern New Mexico University after graduating from Clovis High School in Clovis, New Mexico. He is a Texas Registered Code Enforcement Officer, Texas State Commission Fire Inspector I, as well as a Texas State Licensed Plumbing Inspector. Richard's interest in ongoing education has included classes in storm water management and water conversation, code enforcement, building inspections, plumbing and health inspections.

**Employment Background & Experience:**

Richard has been in the inspection business for quite some time. Prior to being hired with the City of Euless, Richard was a Zoning Inspector for the City of Clovis, New Mexico. He began his career with the City of Euless as a part time Code Inspector in 1992 and promoted to full time March 1993. He transferred to Public Works Department in February 2011 as a Technical Specialist in the area of Storm Water Management.

**Awards, Recognition, Associations, & Personal Data:**

He is a member of the following: Building Officials' Association of Texas, Code Enforcement Association of Texas, Texas Environmental Health Association, North Texas Chapter of International Code Council, Building Professional Institute, Moderator Public Works Track for Storm Water Management, North Central Texas Chapter Building Officials, and Community Powered Revitalization Program (CPR) Committee Member. Richard is the recipient of the October 1998 Employee of the Month award and Employee of the Year in 2013. He is child number 5 of 10 children; he and his wife (Dee) have a blended family of 6 children and 15 grandchildren. Richard enjoys tennis, basketball, nature walking, and bike riding with his family.
